   a. Primary RA ACA hours will be for the entire duration they are on call. This amount will always be either 14 hours for weekday on call or 24 hours for weekend and holiday on call.
   b. Secondary RA ACA hours will be the time the RA participates in on-call rounds or when the RA is called to assist in a situation

7. RAs will perform a total of three (3) on call rounds each night they are on call. Each round will be completed by both the Primary and Secondary RA.
   a. Rounds will be performed between 6:00pm - 1:00am.
   b. The first round will begin at 6:00pm each night.
      i. At the beginning of this round RAs will forward the on-call duty phone to the Primary RA, change the on call duty signs throughout the community, and perform any other tasks that are given to them by their RLC (i.e., hanging up flyers)
c. The second round will be performed at a point during the middle of the round time period.
   i. The Residence Life Coordinator (RLC) of the community will give directions to the RA staff as to when this round should be performed.
